2. At least one officer and 12 men in the Battalion will be trained in anti-gas duties and decontamination work.
3. 12 personnel are positively identified as Lance-corporals. With 45 allowed across the whole Battalion there would be sufficient for at least two per Motor Platoon but this is not stated.
4. No rank is stated for either the Battalion Quarter-master or the attached Medical Officer (RAMC).
5. A batman was provided for each Officer, the Regimental Serjeant-major and the Medical Officer.
6. Six 15-cwt trucks each fitted with a Motley AA mount (central) for light machine gun.
