Comments

The Gliederung table for January 1940 only shows the Heavy Company with a Mortar Platoon and an Anti-tank Platoon, with the image for the Infantry Gun Platoon being pencilled in. The April 1940 Gliederung confirms the Infantry Gun Platoon, with a Pioneer Platoon now being added in pencil. I cannot offer a date for when these two subunits did in fact become part of the Battalion.

KStN 202 has been reconstructed using a combination of the outline provided in file T78 R659 H36/161, from the US National Archives and Records Administration (NARA), and the superseding KStN 202 dated 1st February 1941.
